

VIZ-ART ADVANCED

Advantages of the lift: selected for prestigious interiors with LCD monitors visible only when in use - they slide out individually or in accordance with a program.

Functionality: original design; convenient and simple operation; easy installation in a finished piece of furniture; touch panel for tilting and hiding the monitor.

Ideal solution for managing board, training rooms, multipurpose room, war rooms and small VC systems, great solution for it.

Available models: • ADVANCED S 17" (a);
