

VIZ-ART CINEMAX-LIFT

Advantages of the lift: minimal visibility of the projector during operation. Lift is dedicated to the unique AV systems of the highest quality. Selected for minimalistic interiors and elegant places.

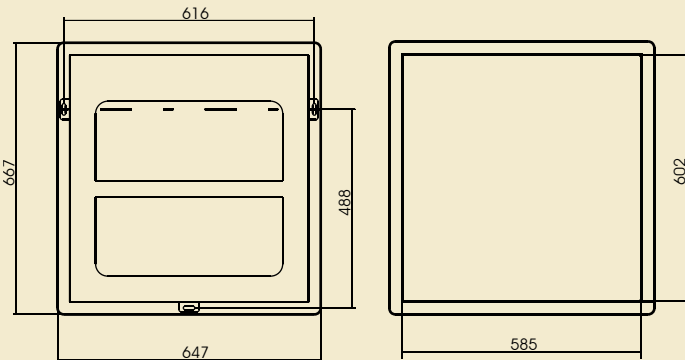

Functionality: lift cover masks the projector; accurate positioning and settings; quiet operation; Somfy drive; control options: IR and RF remote control, Trigger, RS232, LVC, SMART Box.

70cm

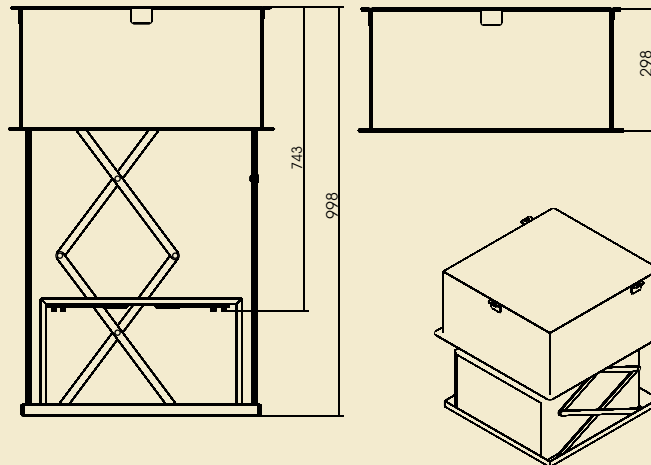

Lift for large, premium home cinema projectors mounted above a ceiling. The projector descends to the set height

at the press of a button on the remote control. An aesthetic cover of the projector's sides makes it only slightly visible.
