

CP-LIFT M, CP-LIFT L

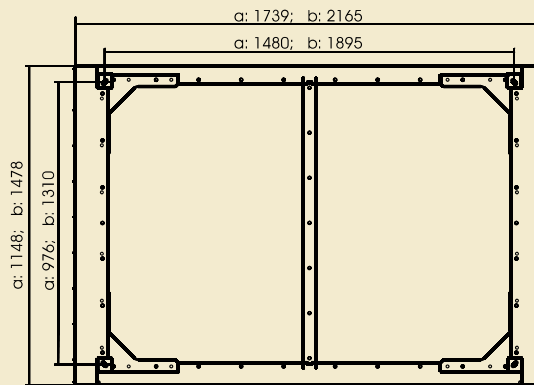

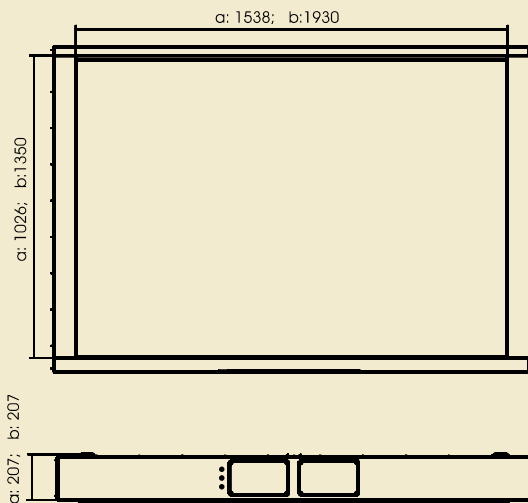

Advantages of the lift: Suits the most exclusive interiors and boosts its prestige. Makes a TV visible only when in use.

Functionality: original design; convenient and easy to use; installation in the ceiling; TV tilts by 110°, 230V; control options: IR, RF, Trigger, central control systems.

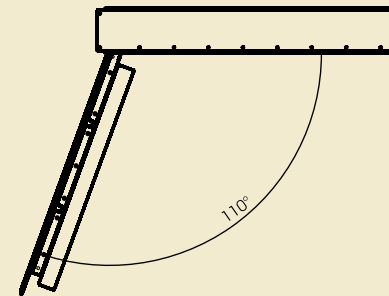

The lift fits the largest screens which are horizontally mounted in the ceiling. The television set is hidden above the ceiling and, at the touch of a button on the remote

control, descends and then stops in the desired position. A „must have,, solution for the most demanding customers.
