

CP-LIFT S

Advantages of the lift: chosen for prestigious places with a plasma and LCD TV visible only when in use, quietly moves the TV to the desired position.

Functionality: original design; convenient and easy to use; installation in the ceiling; TV tilts by 105°, 230V; control options: IR, RF, Trigger, centralized control.

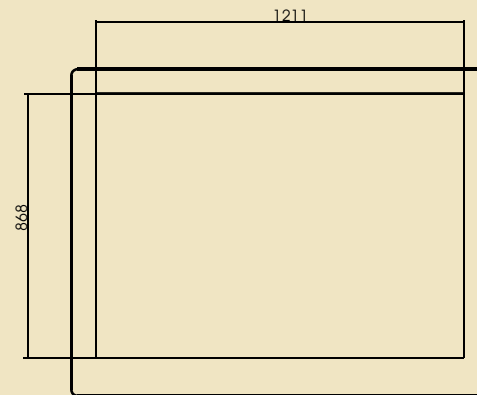

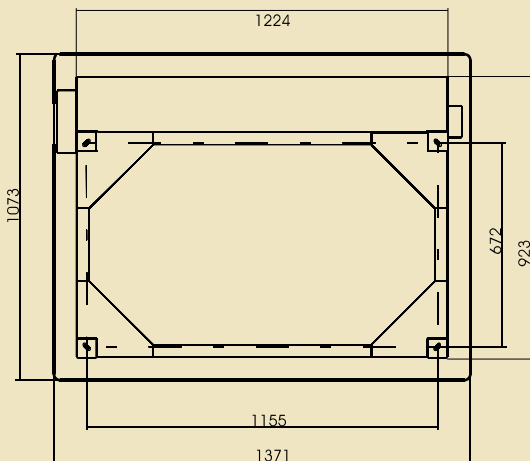

Ceiling lift for mounting a plasma TV horizontally in the ceiling. The TV is invisibly hidden above the ceiling and, at the touch of

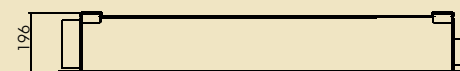

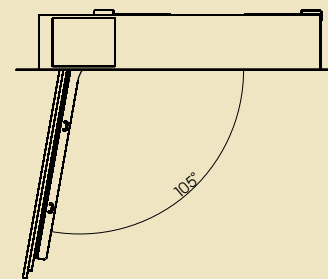

a button, descends and stops in a comfortable position. Used for non-standard projects where comfort of use is paramount.
