Advantages of the lift: lifting capacity for a projector weighing up to 60 kg and a range of movement from 42 cm to 4200 cm make it possible to choose the best lift model for the most crucial AV project.

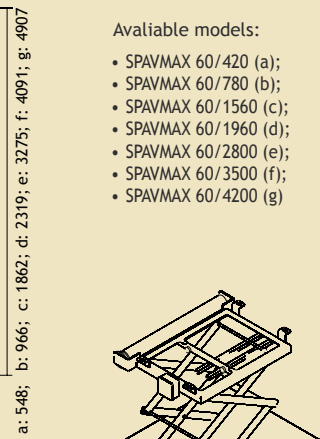

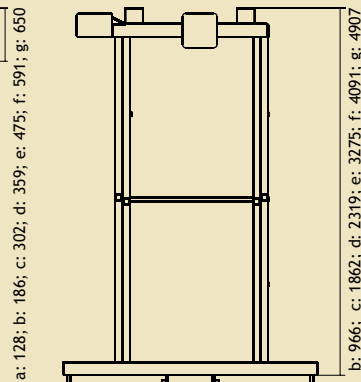

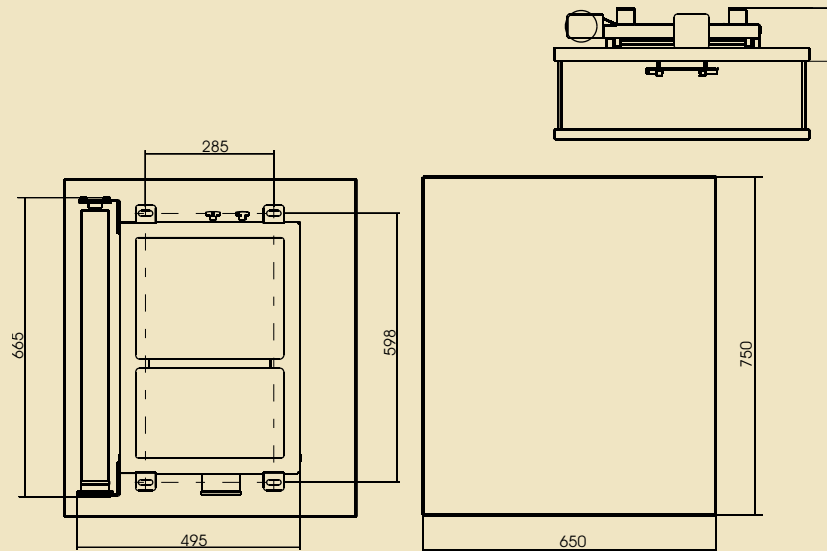

Functionality: reliability; robust design; mechanical limit switches; Somfy drive; control options: IR and RF remote control, Trigger and RS232.

Lifts designed and dedicated to large projectors in professional AV installations. Renowned for their robustness and reliability. Recommended for entertainment venues and Audio Video setups.
