

INFINITY / INFINITY II

INFINITY II iPad Frame, a device used for wall mounting an iPad that runs an intelligent home system. Allows you to embed your iPad completely in the wall. Only a stylish frame in a chosen colour will be visible against the surface.

Easy installation: Mounted in a wall niche, leaving only a stylish glass frame visible. A reliable mounting method which ensures that your iPad remains safe and stable.

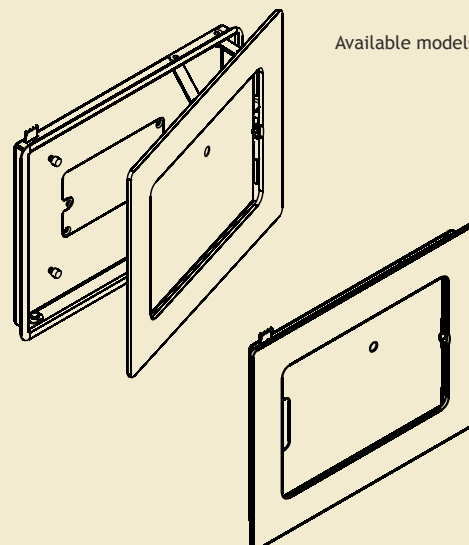

Colours: The INFINITY iPad Frame is available in white and black to match the iPad colour.

Power: Your iPad can be powered by the original Apple cable, never running out of battery. A Lightning Connector cable is included.

Applications: Easy to mount either horizontally or vertically. A perfect alternative for all smart home control touch screens.

Ease of use: You can lift up the INFINITY iPad Frame at any time to remove the iPad. When you insert the iPad back into the frame, it resumes its functions as an intelligent home monitoring device.
