

VIZ-ART MASKED Prestige

Advantages of the lift: the invisible scissor arms through to the unrolling masking blinds. This gives elegance look of the lift during projection. Capacity for a projector weight up to 25 kg and range of movement from 42 cm to 126 cm.

Functionality: elegance and free space in the interior; ease of use; accurate positioning and settings; adjustable limit switches; Somfy drive; control options: dry contact, IR and RF remote control, Trigger and RS232.

The lift is dedicated to elegant banquet halls and ballrooms, where to keep the style of the interior you need to hide lift arms during projection.
