

VIZ-ART MASKED TENSION

Advantages of the screen: easy installation over the ceiling a tensioned screen projection surface and the casing design are the most important attributes of a good screen.

Functionality: a tensioned screen projection surface; every aspect ratio; white powder painting; full customization; Somfy drive with 2 years warranty; options: BB upper top; control options: IR remote control, RF, Trigger, RS232, LVC, SMART Box.

The highest line of screens for installation over a ceiling with a perfectly tensioned projection surface. Models used in interiors, where the elements that are part of the theatre are to be almost invisible. At the time of projection the screen slides

out from the ceiling and the casing remains almost imperceptible.

$C = A + 100$
 $D = B + 100$
 $F = A + 280$
 $H = A + 350$

The gap in the ceiling:
152 x (C + 264)

Gap in the ceiling	
	152
	C + 264
