

VIZ-ART UP-LIFT

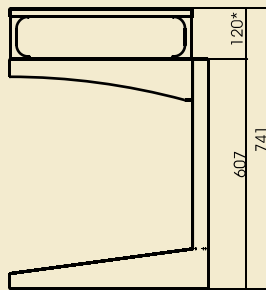

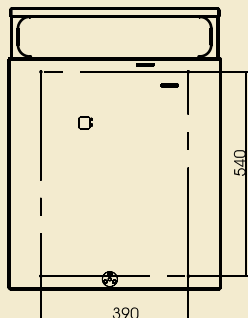

Advantages of the lift: original installation in unique and extraordinary interiors. Can be also used as a bar, in a bedroom or a home SPA (after a carpenter modification).

Functionality: reliability; comfort of operation; simple installation; variety of applications; options: IR, RF, Trigger and RS232, for EIB, masking grill, LVC, SMART Box.

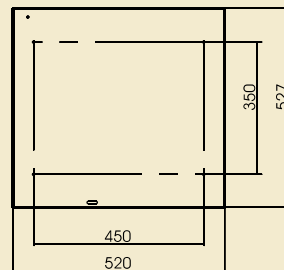

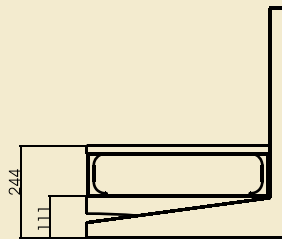

Lift elevates multimedia projector for a presentation from the inside of a piece of furniture or a table. After use the interior becomes

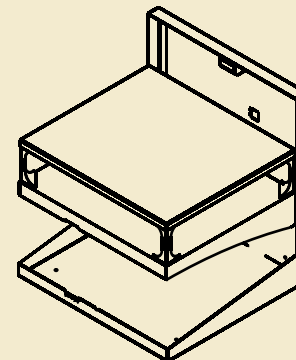

free of any devices. For original interior arrangements, where design and uniqueness are important.

* option - other heights
